SPECIFICATIONS

Our Commitment

Unique Lighting Systems' highest commitment is to set the standard for manufacturing innovative and quality products. This commitment is evident through our detailed inspection processes and extensive field testing. From the initial design process of each product, to the final assembly of each custom-made individual part, our manufacturing process accomplishes the highest level of performance and durability carried through to final delivery to the end user. Durable construction and beautiful styling make Unique fixtures the ideal solution for any residential or commercial application. Unique Lighting™ already holds numerous product patents and we are constantly developing innovative ideas to help expand the lighting industry.

Materials

Crafted from extruded and machined brass.

Stem

Brass unibody design provides enclosed, water resistant wireway.

Collar

Machined brass with brass threaded height adjustment.

Shroud

Stamped brass. Reflective Powder Coat Interior.

Lamp

For use with a Xelogen lamp up to 20W.

Electrical Requirements

A remote 12V or 24V transformer required, may be ordered separately from Unique Lighting Systems®. Voltage range for 12V halogen lamps is 10.8V to 12V. Voltage range for 24V halogen lamps is 21.6V to 24V.

Socket

Specification grade, beryllium copper lamp holder. GU5.3 base.

Wiring

Exclusive UF Intelli-Flex wire with anti-moisture migration connections.

Mounting Stake

Standard mounting stake is injection molded PVC with a 1/2" NPS threaded female fitting.

Finish

Exclusive Weathered Brass finish is standard. Unique™ Lightings' Weathered Brass finish is a "living finish" and will naturally patina and change over time. Polyester powder coat finishes are also available (see chart above).

Warranty

The Brass Knights Family of products from Unique Lighting Systems® carries a limited 15 year warranty against manufacturer's defects.

Manufacturing

Manufactured to ISO 9001-2008 Quality standard. standardstSystems Standard

UL 2108:2004 R12.07
CSA C22.2.9.0-96 (R2006)
