

LINE VOLTAGE BISTRO STRING LIGHT KIT

DESCRIPTION

The Brilliance Line Voltage Bistro String Light Kit is designed with two-way mounting holes for easy installation. The connection points are weather sealed, making all 48 feet of string outdoor ready.

FEATURES

- Patented design (U.S. Patent D898986S)
- String features a waterproof seal
- Two-way mounting holes at each lamp position eliminate the need for zip ties and creates a more secure installation for the life of the string lights

NEC® Article 411.5 (B): Lighting systems shall be installed not less than 3m (10ft) horizontally from the nearest edge of the water, unless permitted by Article 680.
